

Our Spirits Philosophy

Having started as a Wine Bar, we like things we can sip. We like drinks that are aged and continue to develop inside the bottle...ones with character that stand on their own. Ones you can compare side by side and appreciate what makes them the same and different all at once. And, of course, drinks that pair well with food because we believe well paired food only makes what you are drinking better.

Our Spirits Philosophy follows this course and leads us to Whiskey. As with wine, whiskey changes with age and picks up the flavors of the barrel. And like wine, the complex flavors in whiskey enhance the food on your plate. We have created our selection of Bourbon, Scotch and Rye in the same way we created our wine list...with a great deal of care, focusing on quality and diversity so that we can satisfy every palate in the house.

We have also created our handcrafted cocktail list around wine and whiskey. Each cocktail has a wine or whiskey component...or in some cases, both. Limiting your core ingredients when crafting cocktails can be challenging, but in the hands of a skilled bartender, can produce cocktails you won't find anywhere else.

Feel free to ask your bartender or server for tasting flights of any of our whiskeys. You will find that we approach whiskey exactly the same way we approach wine. Explore and find what you like...and when you find what you like, don't stop there. Keep looking and keep exploring because you never know what surprise lies waiting for you.

WHISKEY FLIGHTS

themed tasting samples to compare and contrast
¾ oz tastes per whiskey

- West Coast Whiskeys – Mixed** 19
- Burning Chair Bourbon | Woodinville Rye | Westland Sherry Single Malt**
Great whiskey isn't always from the South or far over seas. This mixed flight showcases expressions of Bourbon, Rye, and Single Malt whiskey made in the bay area and Washington. A great flight for those starting out with whiskey and finding their niche.
- Against the Grain – Bourbon** 15
- Elijah Craig (High Corn) | Larceny (Wheated) | Four Roses Small Batch (HighRye)**
By law Bourbon must contain at least 51% corn in the mash bill, but what makes up the other 49%? Rye, Malted Barley and occasionally Wheat are all used in varying combinations to create unique bourbon expressions. The following whiskies take you on a tour of standard, wheated, and high rye bourbons.
- Ryes to the Occasion – Rye** 15
- Elijah Craig | Sazerac Rye | Willet 4 Year**
Whereas Bourbon is made from at least 51% corn, Rye is made from at least 51% rye. The remaining parts are made up of corn and malted barley. These are three examples of excellent rye's, both new and quintessential.
- Age Dilemma – Single Malt Scotch** 24
- Bladnoch 10 | Deanston 12 | Glencadam 15**
Aging has a big impact on flavor profile. Younger scotches tend to have more of a strong, firm palate, while older selections get smoother, adding layers of fragrance like cinnamon, and clove. The following whiskies are all aged exclusively in ex-bourbon barrels.
- For Peat's Sake – Peated Scotch** 24
- Springbank 10 | Westland Peated | Port Charlotte 10**
One of the most interesting and polarizing flavors in some Scotch whisky is peat. Hickory smoke, iodine, charcoal, and brine are only a few of the unique flavors from these whiskies, Not all scotch is peated equally however. See if you can survive this very smokey journey.

Whistle Pig – Rye

42

10 Year Straight | 12 Year Old World | 15 Year Straight

One rye is 100 proof and aged in bourbon barrels. Another is 86 proof and aged in 63% madera, 30% Sauternes and 7% Port barrels. The third rye is 92 proof and aged in new Vermont oak grown on Whistle Pig's property. Can you tell which is which?

Compass Box – Scotch Blend

25

Hedonism | Great King Street | The Peat Monster

Compass Box is an American distiller that went over to Scotland using the highest American standards for whiskey making (don't tell that to the Scots). These 3 expressions of scotch range from smooth to smoky/peaty.

Siete Leguas – Tequila

21

Blanco | Reposado (aged 8-10 months) | Añejo (aged 24 months)

Named after the favorite horse of one of Mexico's revolutionary generals, Pancho Villa, Siete Leguas translates to "Seven leagues", referring to the distance a man could travel by horse in one day (42 miles). Made with 100% agave (75% grown themselves) and high levels of distillation and filtration. Aging is done using bourbon barrels, providing an extremely rich finish. Compare and contrast the different levels of aging on these three sippers!
